100 YEARS OF SCOUTING

Celebrating the Adventure ★ Continuing the Journey

September 23, 2009

To All Leaders/Parents:

As many of you know, 2010 commemorates the 100th Anniversary of Boy Scouting in America. There are many activities scheduled within our Council as well as across the United States. One of these events is the Council-wide Campout planned for the Fall of 2010—"Celebration of a Century—Gateway from the Past to the Future".

We would like for the scouts to design the event patch that will be given as a remembrance of this campout. In addition, the Council would like to also have a special shoulder patch to mark this significant milestone in our history. Each entry for each patch should be submitted separately on the attached forms. This is the time for your scouts to show off their creative, artistic talents. A committee will judge the entries and select the winner(s). Once a decision for the Council patch has been made, we will have someone give a professional look to the patch, keeping the artwork in tact as much as possible. The deadline to submit entries to the Committee is Tuesday, November 17, 2009. Please submit all entries in a sealed envelope, addressed to Istrouma Area Council, 2010 Council-wide Campout, Patch Committee. You can drop it by the Pennington Scout Center, 9644 Brookline Avenue, Baton Rouge, LA 70809 or mail it to P. O. Box 66676, Baton Rouge, LA 70896-6676. We will notify the winners and they will be recognized at the Council Campout in the Fall of 2010.

Thank you and may the best scout win.

Yours in Scouting,

Nancy Simien, Chairperson
