What is N.Y.L.T?

National Youth Leadership Training is an exciting, action-packed program designed to provide youth members of the Boy Scouts with leadership skills and experience they can use in their home, units, and in other situations demanding leadership of self and others. The course centers around the concepts of what a leader must *BE*, what he must *KNOW*, and what he must *DO*. The NYLT course is a weeklong course and is delivered in a troop & patrol outdoor setting.

A Toolbox of Leadership Skills

The NYLT presentations are designed to provide the participants with effective leadership skills that they can make and use on their own. Some key concepts explored in the course:

- Vision-Goals-Planning
- SMART Goals
- Planning & Problem-Solving Tools
- Teaching EDGE
- Leading EDGE
- Communication
- Making Ethical Decisions
- Stages of Team Development
- And much more...

Leadership of N.Y.L.T

The staff for the NYLT Course is a combination of adult Leaders and youth members from the various Troops or Crews within the Council. The staff has participated in several training courses to provide the youth participants with the most energetic, complete training being offered to the members in the BSA. The youth participants will be assigned to a patrol to help develop a better understanding of the patrol method and for stronger, dynamic interactions with other scouts from around the Council.

“The patrol method is not a way to operate a Boy Scout troop, it is the only way. Unless the patrol method is in operation, you don’t really have a Boy Scout troop.”

- Robert Baden-Powell

NYLT Participant Age & Rank Requirements

The NYLT Course is ideal training for Senior Patrol Leaders, Patrol Leaders and Crew Leaders. It is a valuable experience for other older scouts as well. In order to attend the NYLT Course the youth participant must meet the following requirements:

- Registered Boy Scout 13—17 years of age or registered Venture Scout 14—20;
- Completed unit leadership training (TLT or VLSC);
- Have Scoutmaster or Crew Advisor recommendation.
